

Dear Member,

Membership renewal time is once again upon us, we feel sure that you will agree Ickwell Cricket Club offer immense value for money and that you will not hesitate to renew your membership. Because of our increased running costs we have reluctantly had to increase our membership fees, but these charges still represent good value for money and are amongst the lowest cricket club fees in the county.

Ickwell Cricket Club is operated as a private club and in order to comply with the Data Protection Act we are obliged to inform you membership records are held on a database for administrative purposes only and will not be passed on to any third party. Should any member object to their name being stored on the database please inform me and we can discuss further.

Access is confined to those who are members. Members are entitled and encouraged to bring visitors but it must be remembered that each individual visitor is allowed only four visits per year. New members are welcomed and can be added to the form below, just highlight if any are new members but please remember these need sponsors.

Your renewal form should be completed and returned to the undersigned at the address below or to the Club as soon as possible. Your membership card and fixture list will be forwarded as soon as possible after receipt of payment. **Remember, you will need your new membership card to gain access to the premises on May Day.** We are making the membership cards a different colour each year to allow for easy identification. Family membership is for parents and junior members (under 18) in the same household. To help bar staff combat under age drinking junior members under 18 will have their age printed on the card, please do not take offence if asked to produce your membership card.

Would you consider joining our group of volunteers to help behind the bar? If you are interested please see the form below.

Thank you,
